

## Thank you from Fear Free!

Because we know how hard you work and how much you want to provide the best possible care for your patients, we want to show you how much we appreciate everything you do!

Fear Free provides online education and CE that focuses on reducing fear, anxiety, and stress for pets. The Veterinary Certification Program is worth 9 hours of RACE-accredited CE, plus we have over 35 hours of additional CE available! When you become a member, you will gain access to exclusive webinars, podcasts, and more! Our scientifically backed program will take you and your practice to new heights.

For this week only, we are offering **20% off registration** for the Fear Free Veterinary Certification Program for MVMA members. Already a Fear Free member? We are happy to offer you **10% off your annual renewal!**

## WHY TAKE ADVANTAGE OF THIS OFFER & BECOME FEAR FREE CERTIFIED®?

**The Right Thing to Do.** Fear Free helps professionals deliver better care to their patients by looking after the physical and emotional wellbeing of their patients.

**Better Medicine.** When pets are happy and calm instead of fearful, anxious, and stressed, the TPR and BP are more reflective of the pet's condition. Blood chemistries are more accurate, and the physical exam is better because you can be more thorough and the pets don't hide pain and sensitivity. You lessen the immunosuppression caused by stress, which you know can affect immunity and healing.

**Higher Profits.** With Fear Free you become more financially successful and emotionally wealthy. Many Fear Free practices are reporting considerable client growth, increased revenue, and a decrease in workers comp claims and bites!
