Maine Center of Disease Control and Prevention PPE and Testing Supply Request Form

Instructions:

- *Please fill in the fields for Organization name, Address, POC phone, name and Email.
- *Forms missing any of this information cannot be processed.
- *Use the radio buttons at the top of the sheet to indicate what type of supplies you are requesting. Because they are processed differently, separate forms must be used for PPE and Testing Supplies.
- *Input the amount of each product requested in the space below the item name.
- *If requesting N 95 respiratory masks, you must answer the question regarding an RPP.
- *If the person completing this form is different from the POC, please fill in your name.
- *Input the date the form is completed.
- *Submit the completed form to PEForC19TestingSupplies.MECDC@maine.gov

These fields must all be completed in order for us to process your request.
